Disclosures and Requirements for City Vendors/Contractors

Lobbyists are often retained for the purpose of assisting vendor/contractor seeking to do business with the city. The standards of conduct applicable to city contractors or other vendor/contractor of lobbyists are discussed below.

A. Prohibited Contacts During Contract Evaluation

A vendor/contractor or a vendor's/contractor's agent is prohibited from lobbying activities with city officials, including elected officials, and employees regarding a proposed contract from the time a Request for Proposal (RFP), a Request for statements of Qualifications (RFQ-SOQ), a Bid Solicitation (IFB) or other solicitation has been released until the contract is posted as a City Commission agenda item. If contact is required, such contact will be done in accordance with procedures incorporated into the solicitation document. Violation of this provision by respondents or their agents, including lobbyists, may lead to disqualification of the respondent's offer. There is a parallel no-contact provision for lobbyists and their agents.

B. The City's Discretionary Contracts Disclosure Form

When seeking a discretionary¹[2] city contract, the contractor must submit a form disclosing:

- the identity of all parties to the contract;
- subcontractors;
- partners, parent or subsidiary business entities of any party to the contract;
- any lobbyist or public relations firm that has been employed for a purpose related to the contract.

The vendor/contractor must also disclose all political contributions²[3] totaling more than \$100 made by the parties or the other individuals or entities listed on the form made directly or indirectly to:

- any current or former member of City Commission, including the Mayor;
- any candidate for City Commission, including the Mayor;
- any political action committee (PAC) that contributes to City Commission elections.

Indirect contributions include contributions made by an individual's spouse or by the officers, owners, attorneys, or registered lobbyists of the entity.

Indirect contributions do not include contributions by owners of a business entity who hold less than 5% of the fair market value or voting stock of the entity. If a publicly traded corporation seeks to contract with the city, it will not be required to list contributions made by its shareholders whose holdings are less than 5%.

² "Discretionary contract" means any contract other than those which by law must be awarded on a low or high qualified bid process. They do not include contracts subject to Section 252.022(a)(7) of the Texas Local Government Code or those contracts not involving an exercise of judgment or choice.

³ Political contributions include both campaign and officeholder contributions.

C. Chapter 176 of the Local Government Code

Effective January 1, 2006, Chapter 176 of the Local Government Code requires all vendors or those who seek to contract for the sale or purchase of property, goods, or services with a local governmental entity to submit a completed "conflict of interest questionnaire" with the Office of the City Secretary within seven (7) days after the person:

- 1) begins contract discussions or negotiations; or
- 2) submits an application, response to a request for proposal or bids, correspondence, or another writing related to a potential agreement with the local governmental entity.

The questionnaire requires the vendor/contractor or contract seeker to disclose business or employment relationships with Commissioners, Mayor and the City Manager. The Texas Ethics Commission is responsible for drafting the questionnaire and a link to the form on the Texas Ethics Commission website is posted on the "Forms" page of the city's ethics webpage. It is subject to change and anyone subject to the requirement should consult the TEC website to obtain the most up-to-date form.

Violation of Chapter 176 of the Local Government Code is a class C misdemeanor. Please consult your own legal counsel for questions about compliance.

D. Political Contribution Prohibition

Any person or company official acting as a legal signatory for a proposed "high-profile" city contract cannot make a political contribution to any Commissioner or candidate from the time a Request for Proposal (RFP), Request for Statements of Qualifications (RFQ-SOQ) or Invitation for Bids (IFB) is issued or from the time negotiations or discussions for a contract for which no competitive solicitation begins until thirty (30) days after the contract is awarded.

The designation of "high-profile" is assigned in accordance with the City of Brownsville Purchasing Policy Manual.

4. "High-Profile"- A designation of profile assessment, based on contract value, level of community interest, non-competitive acquisition, and contract complexity.
